4) The charge against S. The S.D.O. closeper held the enquiry into the matter on 16.9.1945 at Gudemaranahally and examined the Depot Manager Revanna other staff concerned in the case and the Commodity in question. He has stated that the Depot Manager, S. Revanna, has deliberately mixed Harabu with Ragi "with intent to defraud the Government as well as the Public." He has therefore, recommended that Revanna, who is a Local Candidate may be dismissed from service and debarred from entry into public service for a period of five years. He has also instructed the Amildar, Magadi taluk, to winnow the Commodity and to separate the Harabu from Ragi. He has suggested that the

7) In his petition dated 29.10.1948, S. Revanna has submitted that the alleged mixing of grains by him is a myth and that the allegation is due to the "misunderstanding" and "previous malice" on the part of the Special Revenue Inspector (H.R. Sreepada Rao) who is working in the same place. He has also stated that the reports against him have been prepared by the Special Revenue Inspector and are manipulations. He, therefore, prayed for a regular and impartial enquiry and for the abeyance of the order of Suspension passed against him.

8) It will be seen from the S.P.O's Report dated 19/21.9.1945 that he asked the Depot Manager - S. Revanna - to cross-examine the Revenue Inspectors and that he (Revanna) stated that he did not wish to cross-examine any of them. Sir,

Reference:- Discovery of Ragi-mixed Haraka at the Reserve depot of Gudemaranahalli - Magadi Taluk by the depot Manager, S.Revanna. ---

I have the honour to enclose herewith copies of letter No. CC.133/45-6 dated the 1st October 1945 with its enclosure received from the Deputy Commissioner, Bangalore District regarding the above, and to state that the Deputy Commissioner's letter fully explains the position. The Deputy Commissioner, while concurring with the enquiry report of the Sub Division Officer has recommended the dismissal of the depot Manager S.Revanna and further debarring him from entry into public service for a period of five years as he was found to be entirely responsible for the admixture of Ragi and Haraka and had thereby defrauded Government and the consuming public. I agree with the recommendation of the Deputy Commissioner, and request you to kindly obtain and communicate sanction of Government disqualifying the persons from re-entry into Government Service for a period of five years.

I have the honour to be,
Sir,

Discovery of ragi mixed with haraka at the Reserve Depot, of Gudemaranahalli, Magadi Taluk. ---

I have the honour to state that the Sub Division Officer, Closepet has reported in his letter No.F.386/45-6 dated 19/21-9-45 that he visited Gudemaranahalli Reserve Depot on 16-9-45 on receipt of report from the Amildar and found large quantities of ragi mixed with haraka. The Depot Manager, S.Revanna is reported to have denied all knowledge of the above admixture and that the peons of the depot have admitted before the Amildar that they did the admixture under the compulsion or under the directions of the Reserve Depot Manager, S.Revanna. The Sub

p.t.o.

The Sub Division Officer is of opinion that the Depot Manager has deliberately mixed haraka with ragi with intent to defraud the Government as well as the public and he has therefore recommended that the Depot Manager, S.Revanna who is a local candidate may be dismissed from service and barred from entry into public service for a period of 5 years.

I agree with the recommendation of the Sub Division Officer and request you to kindly obtain the sanction of Government to dismiss the above official from service and to debar him from entering into service for a period of 5 years.

A copy of the letter referred to above from the Sub Division Officer, Closepet is sent herewith for reference.

Copy of the report No.F586/45-6 dated 19th/21st Septr.45 from the Assistant Commissioner, Closepet Sub Division, Closepet to the Deputy Commr. Bangalore Dist.

I have the honour to enclose herewith the report received from the Amildar, Magadi regarding the discovery of a large quantity of ragi mixed with haraka at the Gudemaranahalli Reserve Depot and to state as follows:-

I visited Gudemaranahalli on 16-9-45 and examined the Depot Manager, peons, the Special Revenue Inspector and the regular Revenue Inspector and also inspected the commodity in question. The report of the Amildar explains in detail the facts of the case. It is true that a large quantity of ragi has been mixed with haraka. The haraka that has been so mixed may form nearly 5 to 10 per cent of the ragi. It is not possible to say as to what exactly is the percentage of haraka in the ragi, because the admixture has been cleverly done, and it may be quite difficult to separate the two. However, I have directed the Amildar to winnow the admixture and try to separate the ragi from the haraka and to fix up the exact percentage of the two admixture. The Depot Manager has denied all knowledge of this admixture. He has stated before me that he had nothing more to add to the statement he made before the Amildar on 6th Septr.45. He has stated therein that there were so many complications between the Revenue Inspectors and himself and that the present charge was due to illwill. I confronted the Revenue Inspectors with this statement and asked the depot manager to cross examine them if he so desired. I also asked him to cross examine and the peons who had stated that they did the admixture under the directions of the depot manager. The depot manager stated that he did not wish to cross examine any of them. So, his statement that the Revenue Inspectors and the peons are inimical to him cannot be accepted as true. The peons employed in the reserve depot have clearly stated before the Amildar that they did the admixture under the compulsion or under the directions of the Reserve Depot Manager S.Revanna. The Report of the Special Revenue Inspector to the Amildar clearly proves the various other incidents also. I find from a thorough reading of the records, as well as by local examination, that the conclusions arrived at by the Amildar are substnatially correct. The Depot Manager, S.Revanna has deliberately mixed haraka with ragi with intention to defraud the Government, as well as the public. The offence should in my opinion, be noticed severely. The depot Manager, S.Revanna is a local candidate who has been employed. I recommend that he may be dismissed from service and debarred from entry into public service for a period of 5 years. As already stated above, I have directed the Amildar to winnow the commodity and to separate the haraka from ragi. The cost of such winnowing will have to be made good by the clerk concerned, as well as the losss that has been sufferred by Government due to such admixture. I will submit a further report regarding this as soon as I receive a further communication from the Amildar.

D. No 2386

Petitioner:- S. Revanna, Formerly depot Manager,
Gudumaranahalli Purchase Depot,
Nagadi Taluk

(Criminal Appeal 2189)

The petitioner named above humbly submits as follows:--

1) Petitioner was a Manager of the Grain Purchase Depot at Gudemaranahalli for over two years. During this period his work has always pleased every one - concerned. 13000 bags of ragi and 1000 bags of paddy have been dealt with without any ground of complaint.

2) One H. R. Sreepada Rao who is a special Revenue Inspector working in the same place has been plotting to ruin petitioner and is a very crafty individual.

3) So far back as 26th August 1945, he gave a - written ~~xxx~~ Memo and instructions to petitioner to seal the depot before the Police sentry. The said instructions duly copied is enclosure A to this petition.

4) Every day according to the instruction (A) the depot was duly sealed. Since no irregularity was - possible or even suspected, the said Revenue Inspector granted another Memo on 31/8/1945 that the grain in the particular depot mentioned in that Memo(Gubbi -

Settappa's shop) was safe. A copy of this instruction duly signed by the Revenue Inspector is enclosure (B) to this petition. This copy may kindly be perused. The grain in this depot was thus sealed and safe till 4th September 1945

5) On 4th September 1945, the Revenue Inspector indulged in a row with petitioner with regard to loading a lorry. On account of this misunderstanding and previous malice to do me harm he again turned up on 5th September 1945 with some of his satelites all ready to discover a fraud and draw up a mahazar.

6) The abovesaid special Revenue Inspector then charged me with mixing up a small quantity of Haraka with Ragi in 32 bags and started to prepare records accordingly. These records were manipulations in view of enclosures A and B to this petition. Nothing could be gained by such mixing as the price of Haraka is Rs. 12/8/0 and Ragi is Rs.14/- per palla.

7) When the matter was duly taken up for action by the Amildar, Sub Division officer, and the Deputy Commissioner, the Special Revenue Inspector who has free access to the Amildar and Sub Division officer, poisoned the minds of these officers on the ground that I had confessed the alleged irregularity in my explanation submitted to the Amildar on 6th September 1945. This is an obvious untruth. The alleged mixing of grains on 27th August 1945 by petitioner was a myth because on 31st August 1945, the very Revenue Inspector has himself stated in B that they were quite safe in Gubbisettappa's shop.

8) Petitioner has reason to believe that the menials may have tampered with the grain at the instance of the Revenue Inspector himself and after tampering, the said Revenue Inspector has maunovered to victimise petitioner.

9) Petitioner further submits that his suspension ~~xxxx~~ without any enquiry is opposed to all accepted procedure.In addition to this petitioner learns that the Subordinate officers have suggested that petitioner should be barred from Government service for four years or so.

10) It is respectfully submitted that such a ~~punishment~~ on a young man of hardly twenty years would be crushing.

Wherefore, petitioner prays that truth in the case ~~xx~~ may be ascertained by a regular and impartial enquiry and the order of suspension kept in abeyance and petitioner granted a right to cross examine the Special Revenue Inspector and his witnesses during the enquiry.

In spite of personal instructions, the Depot Manager and sales clerk(Itermant and regular) of Gudemaranahalli are not ~~xxxxx~~ handing over the sale realisations with them to the Patel of Gudemaranahalli every evening even after the appointment of the new Patel. They will please immediately hand over all the amounts with them to the Patel and obtain acknowledgments therefor. Hereafter, they should hand over the cash to the patel every evening without fail. They should maintain a register and the patel should also maintain a similar register with details relating to each depot.

Secondly, the stock and sales depots are not being sealed at all after the close of transactions every evening. Numerous and various sorts of ~~allegations~~ complaints of blackmarketting etc in the Purchase depot itself after the regular hours are being heard. The complaints have been very common of late. Hence the stock and sales depots should be sealed every evening in the presence of the police constable on duty and the patel if available and hand over to the police constable for

IN THE COURT OF THE DEPUTY COMMISSIONER(FOOD SECTION)

BANGALORE DISTRICT, BANGALORE

Petitioner:-S.Revanna, Depot Manager, Gudemaranahalli Purchase Depot, Magadi Taluk

The petitioner abovenamed begs to submit the following few humble lines to your kind notice and favourable orders:--

1) That the petitioner abovenamed has been working as Depot Manager, Gudemaranahalli since two years to the entire satisfaction of his Superior officers without giving room for any sort of complaint even when the situation was accute.

2) That he has been keeping correct and neat accounts of all the food grains received and issued by the Depot is well established and even the auditors have approved of the same. That the petitioner's work was praised by the higher officers one Mr, H. K. Sripadarao. The Special Revenue Inspector bore illwill against him and was setting up false allegations and annonymous petitions against the petitioner with a view to defame him in the eye of the public as well as the officers who were praising him from his good work.

3) That owing to the ill-will arose between him and the special Revenue Inspector of Solur hobli in respect of the removal of the peons attached to the Depot, the said Mr. Sripada Rao taking advantage of the peons now left with the petitioner and who were formerly in intimacy with the said Sripada Rao, so arranged in collusion

with the said peons, got mixed Haraka with Ragi during the petitioner's absence, and with the trecherous view, reported the matter to the Amildar, Magadi Taluk, taking the statements from the peons threatening them with dismissal, if they fail to corroborate his report.

4) That the Amildar, Magadi Taluk, came to the depot and appraising the petitioner of the report checked the contents of all the bags and though the petitioner represented to him that the entire mischief has been caused by the Special Revenue Inspector in collusion with the peons during his absence, he placed the petitioner under suspension from 6th Sepeember 1945 and went away asking the Special Revenue Inspector to take charge from him.

5) That the Special Revenue Inspector has been taking charge bit by bit causing much inconvenience to the petitioner, in taking charge of the food grains and even to day the charge has not been fully taken from the petitioner.

6) That on the report of the Amildar, the Sub Division officer, Closepet Sub Division, visited the depot sent for the petitioner, enquired him as to the ill-feelings between him and the Special Revenue Inspector. The petitioner orally submitted to the Sub Division officer, the details. Whereupon the Sub Division officer went away and the petitioner has been given to understand that the Sub Division officer has submitted a report without enquiry into the details of of the charges levelled against the petitioner and without giving the petitioner an opportunity to cross examine the Special Revenue Inspector or his concocted witnesses, recommending to debar the petitioner for a period of four years from entering into Government service.

7) That the recommendation of the Sub Division officer has been done only on the basis of the reports of the Amildar and the Special Revenue Inspector with the concocted version of the peons interested in the Special Revenue Inspector solely with the idea of inflicting punishment to the petitioner.

8) That the same Special Revenue Inspector tried similar tactics last year with respect to jaggery, Gunny bags etc and failed to carry on his connection tactics as the then Amildar found on personal enquiry that the reports of the Special Revenue Inspector was nothing but a tissue of false hood

9) That to grind his own vengence against the petitioner, and to see that the petitioner is removed once for all from his path, the Special Revenue Inspector had set up these ruses against the petitioner who is innocent and straight forward.

10) That the petitioner is innocent, straightforward and honest is borneout by the testimony of the previous Amildar and the Inspecting officers and the present allegations set up against him is baseless and will be proved if the petitioner is given a chance to cross examine the witnesses.

Wherefore, the petitioner most humbly prays that a re-enquiry may kindly be ordered to be held so as to give him a chance to cross examine the witnesses, as the present report is based on one sided view and punish the real offenders. Pending disposal of this appeal, the petitioner prays that he may be permitted to continue his duties as usual in the said depot. For which act or kindneness the petitioner will in duty bound every pray
